Insigli

Skill Level: Intermediate
Prerequisite: Cubic Right Angle Weave, Herringbone Stitch, and Peyote Stitch
Instructor: Charlene Abrams
Class Price: $78

Insigli is an eye-catching pendant gorgeous from whichever angle you view it. Designed to hang low (below the cleavage), its wide base ensures that it will swing to emphasize your every move, and the view from the top includes windows with tantalising glimpses of the interior. The underneath is where the surprise happens: a rivoli stands out from its surroundings, coyly framed by delicate little picots which reveal their prize only when viewed almost full-on.

Please note that because the various components which comprise this pendant are meticulously sized to fit together just so, it is imperative that the size 11 main colour seed beads are more donut-shaped than cylindrical - Matsuno size 11s will not work, neither will Toho Permanent Finish beads or any other finish which is on the taller side.

Supplies

Toho size 11 seed beads (two colours: main and accent)
Japanese size 15 seed beads
14mm rivoli
3mm fire-polished beads
3.4mm magatamas
Thread
Needle
