St. Tammany Fire Protection District #11 EMS

Controlled Substance Log

Narcotic boxes must be signed out by the oncomming duty Paramedic at the beginning of each shift, and signed back in at the end of each shift.

Your signature below indicates that you will maintain responcibility at all times for these narcotics issued to you. You must be in possession of these controlled dangerous substances (CDS) at all times during your shift. After completion of your shift, you must turn this narcotic box over to the oncomming Paramedic reporting for duty and complete this log below. S.T.F.P.D.#11 reserves the right to suspend or terminate any employee for not following this policy and also reserves the right to have employee who handles any CDS drug tested at any time without notice.
