PARTRIDGE STREET GENERAL PRACTICE

Professional Comprehensive and Empowering Healthcare

Children 0 – 10 Years are Bulk-Billed

Veteran Affairs Gold Cards are Bulk-Billed

Medicare rebates for GP services have been frozen since **1 July 2014** and will **not** be increased until **1 July 2020.** This Government decision makes it very difficult for our practice to continue to meet the costs of providing a Comprehensive Service that is safe and of a High Quality Standard without increasing our Practice Fees.

From **1st July 2016** some of our practice fees will be changing:

Standard Patient Fees			
Description	**FEE**	**Medicare Rebate**	**Out of pocket**

All new patient appointments are booked as a Long Consultation, this allows the doctor to take a medical history as well as treat your current concerns.

Minor Procedures (Skin/Mirena and Implanon) & Wound Management

Where the doctor performs minor procedures or post-procedure follow up you may incur a gap and a facility fee to assist with the cost of surgical consumables, such as wound dressings, suture materials and local anesthetic. For further information please speak with our Practice Nurse.
