Mangrove Groove Show Instruction

The brightest Christie large projection system in the largest multi-media modernized aquatic theatre of the world—Shenzhen OCT BAY aquatic theatre. Grand performing multi-media laser theme aquatic show <Mangrove Groove>, crossing a water screen stage of more than 120 meters, together with laser fireworks and music fountain, Christie has created a unique immersive full view visual feast of water and flame as well as light and shade.

< Mangrove Groove > is the first multi-media laser theme aquatic show of the world and is the largest, most advanced aquatic show.
