ARTFUL NEGOTIATIONS

Join us for a show of ***Art by Workers, about Workers, for Workers***

There will be appetizers and refreshments, including beer, wine, & Union-made lemonade, as well as live music at Threshold Art Gallery! We hold a raffle and feature a silent auction with art for all budgets!

All proceeds will go to SCFL's scholarship fund, which helps Union members and their children continue their education after high school. To make this event a success, we need your help! **Here's how you can participate**:

Buy your raffle tickets online at www.scfl.org under the "Artful Negotiations" banner. Our grand prize is $500 cash**!** Other prizes include original artwork and gift certificates (you do not need to be present to win). **Or help us sell tickets!** We also need prizes donated, such as a local gift certificates.

We know all workers have many talents! Whether you love to make art in your spare time or you're an art professional- **we'd love to display your art** at Threshold Gallery and include your donation in the silent auction.

Show up to the event and bring your friends, family, and co-workers!
