

Award winning food at great prices... all vegan with no gluten-containing ingredients. The only nuts and seeds we use are coconut and sesame - shown in **BOLD**

food for all • comida para todos • el-piano.com

All of our food is naturally free from gluten and all of it is made here from primary ingredients. HOME MADE means HOME MADE. We use neither animal products nor nuts except coconut and sesame - dishes containing either are indicated in BOLD. Our menu is not a full ingredients list. If you need to know what each dish contains please ask us.

JUGS AND POTS... prices are per person

COFFEE £2.35

decaffeinated or fully wired this is our 'flagship' drink.

It's a fact that one of our grandfathers was a cowboy. A cattle drive had little room for cookware. A single pot allowed for steeping freshly ground beans in boiling water. A quick stir, the grounds falling to the bottom, yields a natural froth. Strain and drink. A restaurant technique unique to us...learned from him...
