DRIP-PROOF CAP

Vivix® is an all-natural, scientifically advanced liquid dietary supplement developed to SLOW AGING AT THE CELLULAR LEVEL™.*

Just one teaspoon daily delivers a broad spectrum of over 15 beneficial polyphenols.

These polyphenols are isolated with a proprietary extraction process, resulting in a unique, highly bioactive polyphenol blend called Rejuvetrol® Plus.

These proprietary ingredients are proven to be **10X more powerful than resveratrol in slowing a key mechanism of aging at the cellular level.**^{††}

All natural. Patent pending.
Clinically tested key ingredients.
Exclusive to Shaklee.

^{††}In laboratory study.

Vivix® ingredients have been proven to SLOW AGING AT THE CELLULAR LEVEL™* in four ways.

Cell Defense.

The ingredients in Vivix have been clinically proven to blunt the biological stress response, which can cause cellular aging.*

Cell Energy.

Proven in lab studies, Vivix ingredients increase energy production at the cellular level, which declines as we age.*

Cell Repair.

Proven in lab studies, Vivix ingredients protect and repair DNA, which is assaulted millions of times every day.*

Cell Performance.

Proven in lab studies, Vivix ingredients activate key genetic regulators that improve cellular performance and slow the formation of damaging AGE proteins, which can cause cell damage.*
