

HELP STEFAN TO FIGHT CANCER!

Web: colarezastefan.webgarden.ro & <http://helpstefan.wix.com/helpstefan>

Hello!

My name is Stefan-Adrian Colareza, born in Mangalia, Romania and I am 6 years old.

I am hungry for life and want to get most out of it. I want to go to school, but under my current conditions it is impossible. I suffer from a rare type of cancer which is: Non-Hodgkin lymphoma called Burkitt lymphoma. That is a rare type of cancer.

I NEED YOUR HELP, as an operation in my country, Romania, is currently not possible.

That means that I have to go to another country for treatment, which is very expensive, in my case: 50.000 Euros, ca. 40.000pounds.

My doctors in Romania said that if I don't get any treatment as soon as possible I will have 5.5 months left to live.

Please help to me to receive treatment outside of Romania in order to enjoy life again!

I appreciate your support and I am very grateful for EVERY penny you are willing to donate to following bank accounts:
