OUR TRACK RECORD

Listed on SGX Mainboard in August 1994, Koh Brothers Group is a well-established construction, property development and specialist engineering solutions provider, which was started as a sole proprietorship in 1966 by Mr Koh Tiat Meng. Today, the Group has more than 40 subsidiaries, joint venture companies and associated companies spread over Singapore, PRC, Indonesia, and Malaysia.

The Group's Real Estate division provides quality property developments with specialised themes at choice locations. Koh Brothers Development Pte Ltd ("KBD"), established in 1993, a wholly-owned subsidiary of Koh Brothers Group, is our flagship company for the Group's Real Estate division.

KBD is noted for its 'lifestyle-and-theme' developments. Its Starville project was the first to introduce an astronomy-themed residence, complete with a star-gazing observatory. Fiorenza, an avant-garde Italian-inspired architecture, is a 28-unit private development that stands out as an icon of modern living. Fiorenza is the first development to be equipped with a jacuzzi on every balcony, Wifi multiroom digital music system and a motorized sun screen technology in each unit. In April 2006, it announced the acquisition of Hilton Tower, located in the prime freehold Leonie Hill area, for S\$79.2 million together with Heaton Land Pte Ltd. It is now the site for the premium condominium, The Lumos. In June 2007, Koh Brothers Group Limited, Heaton Holdings Ltd, KSH Holdings Limited and Lian Beng Group Ltd formed a consortium with equal shares each and were successfully awarded the prime Lincoln Lodge site at 1/3 Kiang Guan Avenue, off Newton Road in District 11. The site has been redeveloped to the luxurious condominium project, Lincoln Suites, which features sky-high elevated gyms, Wifi multiroom music systems and thematic communal dining facilities. KBD continues to push the envelope in redefining urban living and maximizing living comfort with innovative technology in upcoming projects.
