

Martha Johanna Moreno Blanco

Carrera 26 5 a 26 Apartamento 2, Sincelejo Sucre

57 3017671231

marthajohannamorenoblanco@gmail.com

"My opinion regarding the work of Professor Martha Moreno is, that their quality of work in the subject of English is excellent and attractive to students. Didactics and methodology is required to create meaningful learning environments of the English language, is ultimately a teacher with much knowledge and pedagogical potential in teaching English"

Andres Felipe Reyes
Student Teacher

Fundación Universitaria
Monserrate

"A teacher musn't be seen like a simple person, a teacher is an important person who guides many lives. There are different kinds of teachers and I like teachers that want their students to be the best, I like teachers who enjoy their job. And Teacher Martha, is an excellent teacher. She is like a child, She loves her job because She is very happy when She is Teaching. Martha is always looking for new and creative strategies to improve her classes and get her students
