Meet Merideth!

You may see a new face around the preschool and children's area this Fall. Meet Merideth Ball, a Senior Psychology major at Angelo State University, and our new children's ministry intern. Merideth is from Mesquite, TX and has experience working with children. She is excited about the opportunity to learn more about children's ministry. A fun fact about her; she could happily eat Chick-fil-a every day for the rest of her life!

Pray For Us:

Please continue to be in prayer for our children's ministry. Thank God for the teachers and volunteers that your children interact with on a weekly basis. Pray that God will bless them and the ministry they do. Pray that our kids will be ready to receive the gospel and grow in their faith. InsideOut Mission Adventures

This semester on Wednesday nights we have been on mission adventures where we learn about God's love while experiencing different ways people love others around the world and locally. For our last unit we highlighted the Brewer family in South East Asia and ended with the missions work being done at Rust Street and Daily Bread Wesley Soup Kitchen in San Angelo, TX.

This month we are focusing on Mexico as we learn about Casa Hogar El Corazon De Rey in Acuña, Mexico. This children's home is a Christian non-profit orphanage run by Dr. Ron and Anna Sherman. Ron and Anna faithfully care for up to 35 children in their home. Many of these children have experienced neglect, abuse, and hunger. Ron, Anna, and four house parents not only provide for the physical needs of these children, but also provide the safe structure and nurture of Christian adults that creates the context for healing. Every other month Students and Adults from Southland join this children's home for the day to encourage the house parents, play with the children, shop and cook for everyone, and help tutor the kids. Please consider sending mission offerings with the kids for this month to go towards the needs of this ministry.

We will end our Unit back in San Angelo, learning more about Meals for the Elderly on November 30. Meals for the Elderly is a private, non-profit charitable organization devoted to serving the homebound elderly of San Angelo, Texas and surrounding areas with one hot, nutritious, home-delivered meal each weekday, while also ensuring their individual well-being through personal contact. Multiple times a year, Southland church members volunteer to drive numerous MFTE routes, delivering these meals to our city's homebound elderly. Cindy Maedgen will be joining us for a fun presentation.
