

The MD350 system is now available in a purpose built Bariatric Rehabilitation Suite at Ritson Lodge

Whether you require a respite stay, pre-operative or post-operative rehabilitation or longer term care we can offer a range of tailored options to suit your exact requirements.

Ritson Lodge provides first-class 24-hour general nursing and residential care, and work in conjunction with local GPs and health and social services to ensure the best possible package of care and support is available to every resident.

Regardless of the care you choose everyone here has the same goal: to provide you with the best advice, support and care that they can.

The perfect location

Ritson Lodge Care Home is situated within the picturesque village of Hopton-on-Sea, a stone's throw from the sea and the beautiful coastline of Norfolk. Motorway links add convenient access from Cambridgeshire and Suffolk.
