1 Welcome Message

Dear participant,

We face in 2016 the 9th edition of the WKF Youth Camp and World Cup, again a good opportunity to make major innovations and improvements. This year we incorporate to the Cup new age categories for children, with a panel of instructors for the Camp that is probably the top of the tops that the Camp has ever shown. Again it is taking place in the city of Umag, in Istria, Croatia, where the participants are going to find the ideal conditions to fulfil the objective of the Camp; what it is like to train with top world champions in a friendly and cosmopolitan atmosphere whilst getting in touch for a whole week with the state of the art of the sport of Karate.

Umag can be easily reached by road from many places in Central Europe and not only, which assures this 9th edition to be a complete success.

Finally, I would like to thank the Croatian Karate Federation and the local authorities for their help and support and I am looking forward to welcoming you all personally.

Antonio Espinós
WKF President
