

Multimodal Media Literacy: Our Story of BLSF 2016

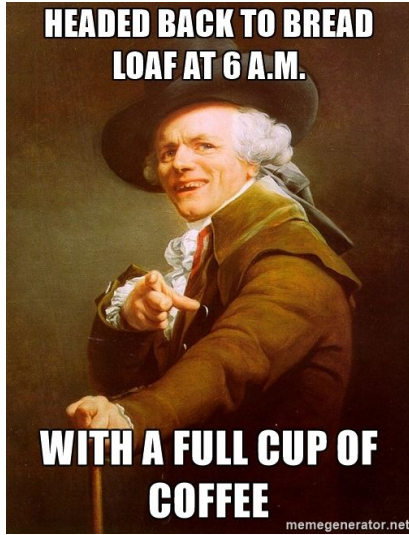

It's about the [road](#).

It's about exploring [new heights](#)-- intellectually and physically, dispelling "I can't", and doing so in community: that there can be [change](#) in a touch is revolutionary to me.

[Bread Loaf is](#) about the courses and the community, from people to places.

“As an instructor, Bread Loaf is an extremely rewarding teaching opportunity because of the students who are extremely engaged and intellectually curious.”

My brain is tired. It's hard to be a part of a community when you're not quite here, but not quite there either- it's a different feeling from last year. All of the coffee.
