

HOT DRINKS

All our milks are plant based. Choose rice, soya or coconut....

JUGS AND POTS... prices are per person

COFFEE £2.95 per person but £5.50 for 2 people

Decaffeinated or fully wired, this is our ‘flagship’ drink
It’s a fact that one of our grandfathers was a cowboy,
(and yes, actually, another was an ‘Indian’...)
A cattle drive had little room for cookware.
A single pot allowed for steeping freshly ground beans in boiling
water. A quick stir, the grounds falling to the bottom, yields a
natural froth. Strain and drink.
A restaurant technique unique to us...served in style...and
learned from him...
