WHY CHOOSE US?

## WHAT WE OFFER

Learn at your own pace

Small class sizes
for more personal attention

Learn on your device

Get in touch using social networking

Learn the latest in computer protection

Upgrade your job skills

PERSONALIZED INSTRUCTION

One-On-One

Classes aren't for you?
We work with you to determine
priorities and goals. Digital Professors creates
customized lessons that meet your needs.

Couples

Think of us as the computer marriage counselors.
We help both of you get past the common
computer annoyances.

Small Groups

Host a computer tutoring session at your home!
Invite 2–4 friends and we give you a discount.
Pick the topics and we will create
a customized lesson plan.

In The Workplace

Quickly get your employees up-to-speed on
the latest software! Save valuable time by
letting us train your employees.

In the workplace, we are your technology
training department.

Outsource Your Employee Training

Our instructors increase efficiency and
productivity, helping you with small and
large projects.

We save you time and money
getting your team onboard with the latest in
cloud computing tools.

WHO ARE
DIGITAL PROFESSORS?

Digital Professors are friendly
experts who guide you in
becoming independent
technology users.

REAL TEACHERS

All of our Digital Professors have
years of training experience
and lots of patience!

PERSONALIZED INSTRUCTION

Where else can you go
for personalized instruction that
matches your pace?
