 Gallery Lane Cove Upper Level, 164 Longueville Road, Lane Cove

FREE GRANDPARENT & GRANDKIDS WORKSHOPS IN THE GALLERY

Paper Scissor Rocks!

in partnership with Lane Cove Council

Bring your grandparent and show them how to make some fun paper sculptures. You will draw, fold and create artworks that you can add to our installation in the gallery and make more to take home. You will decorate six flat squares with messages, drawings and colour. Then, with special folding origami moves, turn them into mini sculptures. What happens when you join multiple mini sculptures to make a maxi sculpture?

Join us, but you need to book.

There will also be interactive projections and light box displays for the kids to participate in.

When: Wednesday, 13 January

Two sessions: 10am – 12pm and 1pm – 3pm

Cost: Free but you need to bring your grandparent
Suitable for kids 5-11 yrs

Where: Gallery Lane Cove
 (opposite the Lane Cove Library)
