Camper's Name, 1321 W Mountain Road, Cascade, ID 83611

What is the policy of campers coming late or leaving early? We greatly discourage this practice.

What if a camper would rather go to a camp with a friend instead of their age peers?

We do not make these types of exceptions.

Who serves on the staff of the camps?

Most of our camp staff are members of local Christian Church (Disciples of Christ) congregations. Each year some staff members come from denominational colleges or church related summer programs. All staff are background checked.

Who attends these camps?

The children and youth at these camps come from the extended families of the Christian Church in Oregon and SW Idaho. This camp is not advertised widely beyond the congregations of the regional church.

Who writes the curriculum used by the camp staff?

Curriculum is written by the camp directors and the Regional Ministers of the Christian Church in Oregon and SW Idaho.

How are staff trained?

Each year approximately 1/3 of the camp staff is new to the program, while 2/3 are returning from previous years. Some of our staff have been with us for over 25 years. Some of our staff come from young adults who grew up through the program as campers themselves. Staff arrive 24 hours before the campers and spend time in prayer, touring the grounds, reviewing camp policies and resources, setting up gear and learning the curriculum in detail.
