

Day 1: June 9, 2016

Early this morning – very early – 12 Disciples of Christ members from Oregon and Southwest Idaho met at the Portland International Airport to begin the daylong journey to Ecuador. The 11-day mission trip that we were about to embark on would include cities high up in the country of Ecuador. We united in prayer, each in our own way, asking God for direction and safe travels. In Houston, Texas we met up with our 13th travel companion, and when we arrived in Quito, we were met by FEDICE representatives, Blanca and Luis Puma. Our prayer is that throughout this trip we could represent ourselves, our churches, and our region as God's faithful servants. Please keep us in your hearts and prayers throughout the rest of this week and next.

Temprano está mañana – muy temprano – 12 miembros de Discípulos de Cristo de Oregon y el suroeste de Idaho se congregaron en el aeropuerto internacional de Portland para comenzar un viaje largo a Ecuador. El viaje misionero de 11 días en el cual íbamos a embarcar incluiría ciudades muy altas en el país de Ecuador. Unidos en oración, cada uno de su propia manera, le pedimos a Dios para que durante este viaje pudiéramos representarnos a nosotros mismos, nuestras iglesias y nuestra región como sirvientes fieles de Dios.
