CITY BY THE YARRA TOUR

MAP & INFORMATION

TIME & LOCATION

Tours begin at 10am. We meet under the rail bridge at Victoria Park. As you leave the train from the city you take the left exit. You can buy food and drinks from Dr. Morse (cafe) at the end of the ramp.

The tour ends around 1pm at Moon Dog Brewery and covers approx. 5km.

HOW TO GET TO AND FROM THE TOUR

Victoria Park is on the Hurstbridge and South Morang train line - 5 stations from Flinders St. and Parliament in Melbourne's CBD.

Leaving the tour you can walk to North Richmond station along Victoria St. which is approximately a 10 minute walk. The No. 12 and 109 trams stop all along Victoria St. and take you back to the city. Driving is not recommended as parking is limited.

ABOUT THE TOUR

This tour takes you from the bustling streets of Abbotsford, through the iconic Victoria Park stadium, along the river that shaped our city, via Abbotsford convent and finishes in the historical industrialised streets off Victoria St.

Comfortable walking shoes are essential and we advise you bring appropriate clothing to cover all weather types as Melbourne is known for its four seasons in a day. Our guides are equipped with limited umbrellas, sunscreen and basic first aid kits.

It is recommended you bring a bottle of water as there are few shops on the walk. There are opportunities to refill water bottles.

As a business we like to remain as paperless as possible therefore we encourage you to download and save this map and information to your phones to bring on the tour, however they are set up to be printed if you choose. We also can provide hard copies on the day for those who have not been able to save or print.
