On Monday, November 19, 2016, Thrice Illustrious Master Jlander Stevens, Jr., of Hampton Newport News Council #3, along with members of the York Rite Bodies on the Peninsula made a donation to the Virginia Peninsula Foodbank. This donation helped to feed hungry children, seniors and families across the Greater Peninsula. According to Ms Benson, "No one should ever be hungry, and yet, almost 78,000 people in our community are food insecure, 20,000 of which are children. Thank you for making a difference in their lives, and giving them hope for a brighter tomorrow." The donation made by Hampton Newport News Council #3 helped to provide 400 meals, and the combined York Rite donation helped to provide 1,200 meals.

Hampton Newport News Council #3 has made a commitment to the Virginia Peninsula Foodbank in previous years, and will continue to support this most important contribution to our community!
