

Introducing...

The young makers market at Eat festivals in 2017

If you can make your own things and want to sell them at the festival, we'd like to give you a free pitch, and we've rallied some friends to give you a bit of help too.

Just answer the following questions in an email marked "Introducing..." to eatfestivals@gmail.com:

1. Who are you?
2. Are you aged 16-24?
3. What do you want to sell?
4. Do you make it all yourself or are there more people involved?
5. Do you have an example you could show us? Got a photo?
6. Do you think you can make enough to have a stall at the festival?
7. Where do you live?
8. Would you like help to find a place to make your products? e.g. a registered kitchen, bigger studio space, workshop etc.

What's on offer:

- A pitch at one of our festivals in 2017
- Guidance on trading regulations and labelling.
- A design workshop from **The Design Hive**, working on a professional logo and then using your products to look at how to photograph them and create display materials.
- 1-2-1-business start-up advice from **Nat West bank** to help you work out what banking facilities you need and how to plan your cash flow.
- Introduction to local entrepreneurs who are happy to share their experience with you and help you develop your ideas.

You don't have to take up any of the things on offer but they are there for you if you want them.

Festival dates: 8 April (Weston) 13 May (Taunton), 27 May (Burnham-on-Sea), 2 September (Wellington) and 21 October (Burnham-on-Sea)
