

# FALL OPEN HOUSE & NATIVE PLANT SALE

**When: Sunday, September 27th, from 10 AM to 2 PM**

**Where: Earth Sangha's Wild Plant Nursery (Franconia Park, Springfield)**

*Over 250 local-ecotype native species available.*

The Earth Sangha would like to invite you to our Fall Open House & Plant Sale at our Wild Plant Nursery, at Franconia Park in Springfield, VA. Last Fall, over 230 customers helped us raise almost \$14,000 for local parkland restoration! Come choose from over 250 local-ecotype native plant species and meet some of our local partners in environmental stewardship and conservation. All of our plants are grown from seed that we collect, with permission, from local parks and wild areas. Many of the species available are very difficult to obtain — and, as experienced gardeners know, fall is really the best time to plant. Trees, shrubs, and perennials like the cooler weather and greater rainfall lets them establish robust roots. Late blooming annuals can make great additions to your garden, and many will “volunteer” from seed next year. If you live in the DC area and you garden, or you’re thinking about creating an ecologically- sensitive garden, you really owe it to yourself to come out on Sunday, September 27th.

## Wild Plant Nursery

Franconia Park (off Cloud Drive),  
Springfield, VA 22150  
(See website for directions)

Sunday, September 27th:  
10 AM to 2 PM

*All plant sale proceeds go towards local parkland restoration.*
