SF REFORM DEMOCRATS

DELEGATES FOR ASSEMBLY DISTRICT 19

VOTE SF REFORM DEMOCRATS TO REPRESENT YOUR VOICE

We're a diverse coalition of local community advocates banding together to fight Trump and the corporate Democrats who allowed him to become president. We believe that the Democratic Party will best defend its values of equal rights and treatment across lines of race, gender identity, religion, ethnicity, and sexual orientation when it represents the 99%, not the 1%.

We support:

- Keith Ellison for DNC chair
- Medicare-for-all healthcare
- Free quality public education K-through-college
- Sanctuary cities and undocumented immigrants
- Campaign finance reform
- Affordable housing, rent control, & Ellis Act reform
- Criminal justice reform & end to systemic racism
- Rights of workers to organize
