

Gates

All our gates are made to order so please allow up to one week for completion. We always call to confirm your order and give you an estimated delivery/collection time. If you'd like a gate built to a specific size just call us on **01924 276436** or email us bradfordbrothers@msn.com with your measurements and we'll manufacture a gate to fit.

All of our gates are handcrafted in our yard in Ossett, Wakefield using pressure treated, tannalised timber. They are fully framed and can be supplied with or without ironworks. All timber is sustainably sourced.

Please be aware gate colouring and wood grain may differ from that shown.

Palisade and Feathered Edge Gates

GATE ONLY – NO IRONWORKS				IRONWORKS INCLUDED
