Style Choices

Flat Top

Bow Top

Valley Top

Our fence panels are made to order in our workshop using sustainably sourced, tanalised timber and galvanised nails. They are fully framed and come complete with panel cap. Fence panels can be ordered in any of the regular sizes listed or can be custom made in any size to suit your needs.

Pictures are a representation of the panel style and may vary in shade to that shown.

All Prices include VAT

We also offer a fitting service. Get in touch for your free quote.

Height measurement is to the highest point of the fencing panel i.e. Bow top measured to the tip of the bow.
