Our gates are made to order in our workshop using sustainably sourced timber and galvanised nails. They are fully framed. Gates can be ordered in any of the regular sizes listed or can be custom made in any size to suit your needs.

Gate prices shown include Ironworks. If you'd prefer to order the gate only and fit your own hinges and latch simply deduct £15 from the price.

Pictures are a representation of the gate style and may vary in shade to that shown.

All Prices include VAT

**We also offer a fitting service.
Get in touch for your free quote.**

Height measurement is to the highest point of the gate i.e. Bow top measured to the tip of the bow.
