Voting members of the National Rifle Association are asked to sign this petition to call for the removal of standing Board member Grover Norquist. Voting members are Life members or Annual members with five or more years consecutive membership and who are currently in good standing.

This petition “may be withdrawn by the sponsor without notice to, or approval by, the signators.” Article IX, Sec. 2 (b) (4) NRA Bylaws as amended September 15th, 2012.

Case: The NRA has a singular mission—to protect our rights as citizens by defending the 2nd Amendment to our nation’s Constitution. The 2nd Amendment is at the core of both our personal and national security. Never has that security been more at risk than it is today. It is not overly dramatic to say that the election cycle of 2016 is the most important in our lifetimes. The NRA needs to be more laser focused than ever before. Every bit of available NRA resources in time, staff and money must be invested to advance the candidates who believe as we do. There must be no distraction. Therefore this petition is submitted for the recall of NRA Board Member, Mr. Grover Norquist. Unfortunately, given his statements and known associations, I believe Mr. Norquist has become a confusing distraction to the NRA’s mission. Further, an independent investigation and continued in-fighting is a waste of the NRA’s resources. Perhaps most worrisome, I am aware of NRA members who are considering leaving the NRA because they have done some serious homework in regard to Mr. Norquist. Among other sources, they have discovered this highly professional and summarizing link in their research: <http://www.centerforsecuritypolicy.org/2014/03/15/agent-of-influence-grover-norquist-and-the-assault-on-the-right>. You are encouraged to read it carefully for yourself.
