The Metro New York Region of PCA will be hosting The Zone 1 Concours and Rally when it returns to Long Island, NY on May 13-15, 2016.

On Friday evening May 13<sup>th</sup> Metro NY PCA will be hosting a Meet and Great Hospitality gathering at the host hotel. This is open to all participants and PCA members who would like to stop by and say hello. This is good opportunity to check out the competition.

Saturday morning brings the Concours faithful to the magnificent Old Westbury Gardens. Metro's Concours Team will lead the Judging and field set up. The Gardens are a short 3 mile drive from the host hotel. We have arranged an area for car washing and cleaning on the grounds of Old Westbury Gardens away from the judging / display area. This years Concours winners will receive great trophies worthy of display. We will have three distinct groups. Cars will be judged in two; Full and Street Class. The third group will be People's Choice.

On Saturday evening there will be a Banquet dinner which will include the awarding of trophies from the Concours along with a guest speaker.

For Sunday, Metro Rally Chair, Rich Moores is preparing two Rallies, a TSD and Gimmick. The experienced will be challenged and the novice will have a totally enjoyable experience. Rich will keep the routes friendly to the out of towners who will want to cross the bridges and escape New York traffic at an early hour.

Additional details will follow, including the date registration opens. It is very important for all attending to register as soon as the Zone One site opens so you can get the information regarding the host hotel. We secured very good rates for a limited number of rooms, but May 13-15 weekend is also graduation for a number of local Colleges and Universities so room availability will be very limited and our rates will only be available for a short time.

Keep checking you local Regions website, newsletter and the Zone One website for further updates.
