Wide View Lens

Convenient low-profile external controls

Slim, Lightweight & Comfortable

- Low profile, only 980g, with ergonomic padded belt

Unique Dual-Filter System

- Dual filters allow for a lower profile. Screw-in filter design ensures perfect seal every filter change

Heavy Duty Li-Ion Battery

- Charging time of less than 3 hours, with up to 10 hours operating time

Advanced Features, Simple to Operate

- Automatic airflow control: Motor speed is electronically controlled to ensure constant flow rate regardless of the level of filter clogging or battery charge
- Audio, Visual and Vibrating Alarms indicate when battery charge &/or filter replacement is required

Part Number	KC-J5225/K
Viewing Area	96 x 68.5
Weight (Helmet)	790g
Weight (Blower)	980g
