Show Information:

Northcote is very easily accessible with large vehicles. We are around 10 minutes from the M6 down a major road, in a straight line. Take J31 off the M6 and follow signs for A59 Clitheroe. If travelling from the north you will want to keep left and take the first exit at the first round about. From the south it's right (3rd exit) and straight on at the adjoining roundabout. Drive up the dual carriageway staying in the left hand filter lane at the next roundabout for A59 Clitheroe. After a short distance you will pass British Aerospace on your right, followed by a small roundabout, go straight ahead and follow the road for around 6 miles. You will approach a very large roundabout, before the roundabout (approx 150 yards) turn left down Northcote Road (larger vehicles may want to go around the roundabout and take advantage of the wider swing available), past the hotel immediately on your right, we are the next gate on the right (approx 250 yards). Approach the large black gates and follow signs for your parking area. If the gates are closed, pull up close and they will open inwards. If arriving after 8:30pm these gates will be locked, please call as you pass British Aerospace to let us know and we'll be waiting for you at the gate. You will be parked in different car-parks based on the duration of your stay, please follow signs carefully.
