

Dr. Susan Hedman
EPA Region 5 Administrator
Environmental Protection Agency
77 West Jackson Boulevard
Chicago, IL 60604-3507

Dear Dr. Hedman,

I am very concerned about how Wisconsin's controversial, new Iron Mining Law allows for the illegal contamination of our rivers, lakes, fish and other natural resources. These resources are critical for our quality of life. I respectfully request that the EPA reviews the Iron Mining Law for compliance with the Clean Water Act.

Sincerely
