

Bighorn Institute

29th Annual Party and Golf Classic

STONE EAGLE

November 20 – 21, 2016

BIGHORN INSTITUTE

Bighorn Institute is a privately funded, 501(c)(3) nonprofit organization dedicated to the conservation of the world's wild sheep through research and education. We were founded in 1982 and have long been recognized as an official recovery facility for the endangered Peninsular bighorn. Over the past 35 years, our captive breeding and wild population augmentation program has resulted in the release of 127 bighorn into the wild – more than any other such program in the world. More critically, these efforts have kept two local subgroups from disappearing altogether. We also monitor wild bighorn populations along the southern rim of the Coachella Valley and advocate on their behalf. We are the only organization in southern California to do what we do. This event is our primary – and thus vitally important annual fundraiser. To learn more, please visit our website: www.BighornInstitute.org

DAVE STOCKTON

Competing with the likes of Arnold Palmer and Jack Nicklaus in the 1970s, Dave is an 11-time PGA event winner, including two PGA Championships, a 14-time Champions tour winner and Ryder Cup Captain. Today he is universally known for his customized golf instruction to some of the world's leading players. When not on the links, Dave serves as Executive Vice President.
