# AWARD WINNING PRODUCTS

Singapore, 10 Dec 2013 - We are pleased to announce yet another achievement by gosh!.

As one of the Winner of Red Dot Design Award 2013 for a Battery case for iPhone 5 and now an Honoree of a Power Bank (Portable Power Category) of the Prestigious CES Innovations Design and Engineering Awards 2014, we are excited to be the only brand winning accolades for both segments.

Come visit us at CES 2014 Las Vegas from 7th - 10th January. iLounge Pavilion North Hall Booth 6230.

We will be showcasing even more new and exciting products. Full product range can be found at www.whygosh.com.

To make an appointment, please RSVP to Johnson Goh, johnson.goh@appcessory.com.sg.

We look forward to hearing from you and see you soon! Cheers!
