

THERE'S A FINE STRING
BETWEEN LOVE AND THE BLUES.

DEREK TRUCKS has played **PURE BLUES**™ strings by **DR**® for years. **PURE BLUES** are made with the finest pure nickel wire, wound on round cores the old fashioned way, by hand. DR's unique **PURE BLUES** strings have superb old school vintage tone, flexibility, sustain, and low end punch. Derek's new album, **ALREADY FREE** is in stores now.
