

**wentzville  
school district  
wentzville,  
missouri**

Landmark managed \$18.5 million worth of construction projects for the Wentzville School District. Every project was completed on time and within the owner's budget. We provided complete Program Management services from master planning through close out.

Landmark managed the design and construction of the following projects:

- New middle school
- Classroom addition to middle school
- New elementary school
- Lab and classroom addition to high school
- Athletic field renovation at high school
- Addition to and renovation of the Administration Building
- New central storage facility
