

gaming

Landmark has managed hundreds of millions of dollars worth of gaming and entertainment projects nationwide. These projects were constructed on a fast-track basis, opened on time, and met or exceeded the owner's expectations.

Our experience includes:

- gaming vessels,
- adjacent land-based entertainment facilities,
- hotels,
- administration offices,
- gourmet dining restaurants,
- retail/commercial areas,
- parking garages,
- covered porte cocheres,
- barge basins, elevated
- entertainment decks,
- new electrical substation and utility corridors.

the projects were constructed on a *fast-track basis* and *exceeded* the *Owner's expectations*
