**A**s the Program Manager on this \$250 million gaming and entertainment complex, Landmark managed the design and construction of

- two 75,000 sf gaming vessels
- adjacent land-based entertainment facilities
- eleven story, 200 room hotel
- administration offices
- nine gourmet dining restaurants and
- a 275,000 sf retail/commercial area

This facility was constructed on a fast-track basis in 17 months.

The two casinos were built on barges that were brought through a 100-year levee and floated in a man-made basin.
