

## Worship Pastor

### Position Description

Sugar Ridge Community Church is a small, rural, non-denominational, Bible believing church composed of Christ followers. We live life together, support one another, and pursue the teaching of Jesus Christ. The Bible tells us that the mission of the church is to make disciples (Matthew 28:19-20). Disciples are those who believe Jesus is the Son of God (John 3:16-17), that he died for our sins, and that he rose from the dead. We also believe what Jesus said. Jesus said that Christ Followers are to Love the Lord our God and to Love our Neighbors as ourselves (Matthew 22:37-40). This means we pursue the teachings found in the Bible and that we serve those around us.
