Non-profit organization Honor Flight was created to support current and past members of the United States Armed Forces by transporting veterans to Washington, D.C., allowing them to visit and reflect at the official memorials dedicated to their service and sacrifice.

As a pledge of support, Breitling has donated an additional \$100,000 to Honor Flight, based on the proceeds to be received from these watches. **This donation has been generously given to support the Southeast Florida Honor Flight chapter's 70th Anniversary D-Day survivor Honor Flight to the National D-Day Memorial and World War II Memorial, June 5-7, 2014.** In addition, each veteran on the flight, and their guardian, will receive a special commemorative coin in recognition of their service.

With each watch purchase, a copy of the film "Honor Flight, The Movie" and a commemorative coin will be given as a gift. The film documents the inspiring story of a Wisconsin community coming together to make an Honor Flight a reality for their veterans.

The watch will be available for purchase at Breitling Boutiques along with select jeweler partners across the U.S.

About Honor Flight:

Mission Statement: Transport America's veterans to Washington, D.C. to visit those memorials dedicated to honor their service and sacrifices.

Goal: Helping every single veteran in America, willing and able of getting on a plane or a bus, visit THEIR memorial.

Priority: Top priority is given to America's most senior heroes — survivors of World War II and any veteran with a terminal illness who wishes to visit THEIR memorial.

Eligibility: All men and women serving stateside or overseas.

Philosophy: Since America felt it was important to build a memorial to the service and the ultimate sacrifice of her veterans, the Honor Flight Network believes it's equally important that they actually get to visit and experience THEIR memorial.

Motto: “We can’t all be heroes. Some of us have to stand on the curb and clap as they go by.” – Will Rogers
