Summer music at Anker Farm

August 27th, 2016

Please join us to eat and listen with us!

We will share some of our heritage meat and we encourage you to bring pot luck dishes such as salads, veggies and deserts for dinner starting at 5:30 PM. Low waste containers will be much appreciated! At 7:00 PM, **Mare Wakefield and Nomad** from Nashville Tennessee will perform a private concert on our South porch.

Versatility and love for travel is evident in Mare and Nomad's music. Listeners roam through Arizona deserts, Oklahoma oil fields and South Dakota plains, with side-trips to ancient Babylon and the streets of Amsterdam. The journeys go inward too, exploring hope and heartbreak, and the occasional whiskey-soaked barroom brawl. Story and song are woven seamlessly together by Mare's intimate delivery and Nomad's exquisite melodic arrangement.

This event is a family affair and children are very welcome:)

Please **RSVP** to allow us to plan the food needed!
