

Great Days of Service 2011

Posted by Gwinnett Medical | 

It's finally here! Time once again for the annual [Gwinnett Great Days of Service](#). As one of the largest volunteer events in the nation, we're honored to have more than a dozen volunteers (all from the [Gwinnett County Sheriff's Department](#)) at [GMC-Lawrenceville](#) for three of the several service projects going on across the area today and tomorrow.

Today and tomorrow, volunteers will be working on:

1. Sanding and staining the gazebo
2. Re-surfacing the labyrinth and planting flowers
3. Planting shrubs in the healing garden.

All of these projects will go along way to help the healing process of our patients and their loved ones. So from the bottom of our hearts, THANK YOU to the Gwinnett County Sheriff's Department and all of the volunteers across Gwinnett this weekend!
