 ANSONIA - David S. Cassetti was sworn in for a second term Nov. 30 at Ansonia High School. Superior Court Judge Theodore Tyma administered the oath of office to Cassetti before more than 100 supporters in the auditorium.

Corporation Counsel John P. Marini, who served as the inauguration's master of ceremonies, thanked all in attendance "for bringing us to this point... There is a sense that Ansonia's best days are within our grasp."

"Today, we are living through one of the most transformational periods in our City's history. Hand-in-hand, we are building a solid foundation for our future. We have put aside petty politics to move our City forward on a new course."
