Rising star Dakota Daulby is riveting in this BC-made crime drama, a powerful tale inspired by a true story. Troubled Jake escapes from his abusive uncle and makes his way to the island farmhouse which is still home to his older brother. But Noel is drinking heavily, and into some seriously dodgy dealings. Soon Jake realizes he's jumped out of the frying pan, and into the fire...

CAST: Matthew MacCaull, Dakota Daulby, Christie Burke

**GUEST**

Q&A with Jason Bourque (Director).
