## **Multi-use Athletic Complex to Open On Richmond's Western I-70 Corridor**

*Family FitnessWorks* has announced the development of an 81,000 Sq. Ft. Sports Performance and Training Center.

Scheduled to open in January of 2015, **FFW SportsPlex** will be located in the *Rose City Business Park* on Richmond's Northwest Side. The building, most familiar as a former school bus manufacturing plant, will accommodate many sports including basketball, volleyball, soccer, football and wrestling. Multiple courts and an artificial turf field will be separated by floor-to-ceiling nets that allow simultaneous use. The facility will also feature changing rooms and a snack bar.

This announcement comes less than a year after *Family FitnessWorks* opened *RecPlex* in a former movie theater on Commerce Road. There, a major renovation created homes for *FFW Express* (a satellite gym for members of *Family FitnessWorks*) and *RecPlex* (an exercise-entertainment complex that includes rock climbing, arcade games, inflatables and an extensive gymnastics center).

**This latest project is a continuation of the company's vision to build synergistic programs and facilities that create opportunities to improve community wellness and develop dynamic community partnerships that promote active living.**

*SportsPlex* will be valued by youth, high school, collegiate and adult athletes from Wayne County and beyond. Monthly memberships will be available for Individuals, families and teams. *SportsPlex* will also facilitate sport-specific programs and leagues organized by third-party groups and frequently host other events similar to the *USA Gymnastics* competition that brought over 400 youth from across the country to *RecPlex* earlier this year. *SportsPlex* will exponentially create such opportunities to make Richmond a recreational and competitive fitness destination.

Family FitnessWorks was established in 2009 following the purchase of the Richmond Health Connection. It has now grown to include *RecPlex*, Family FitnessWorks at the Warehouse, the Warehouse Cafe and Family FitnessWorks Liberty.
