

Clean Fuels Ohio is a U.S. Dept. of Energy affiliated nonprofit dedicated to promoting the use of cleaner, domestic fuels and efficient vehicles. Headquartered in Columbus, Ohio, our experienced staff have been the “go to” resource for assistance with implementing alternative transportation and efficiency solutions. Throughout our 15 year history, Clean Fuels Ohio has worked with numerous partners to produce significant results

IMPROVING AIR QUALITY, STRENGTHENING OHIO’S ECONOMY, AND ENHANCING THE NATION’S ENERGY SECURITY.

OHIO GREEN FLEETS

The Ohio Green Fleets (OGF) program is designed to help fleets improve the economic and environmental performance of their vehicles, quantify those benefits, and provide certification for leading fleets. This program encompasses all fuel and technology options, and seeks to recognize leaders in fuel efficiency throughout Ohio. Our Green Fleet programs and activities include:

- Green Fleet Recognition and Certification
- Autogas Advantage Workshops
- Clean Diesel Dividends
- Ohio NGV Partnership
- Drive Electric Ohio
- Green Fleets Forum and Expo

MEMBERSHIP SERVICES

Clean Fuels Ohio counts 225 corporate, government, and individual members. We connect members to the latest news, events, and grant opportunities, while providing tailored benefits that maximize the value and exposure each member gains.

GOVERNMENT AFFAIRS

Clean Fuels Ohio works to identify policy solutions, helping educate legislators on the advantage alternative fuels provide for Ohio. Our goal is to work with a range of stakeholders to create more ideal local, state and federal policy that supports alternative fuel vehicles and infrastructure, providing benefit to local fleets.

FLEET CONSULTING

Clean Fuels Ohio offers consulting services tailored to fleet or industry needs. Our experienced staff works to create individualized work plans and products to meet your company’s goals. Our consulting services include:

- Fleet Analysis and Planning
- Securing Grants and Incentives
- Market Research
- Events and Communication
- Training and Solicitations
