Medium Bio:

Neil Enock is an author, actor, screenwriter, filmmaker and creator/host of the million+ viewed TrainTalk.TV iTunes podcast. Neil tells original stories in everything he does from his written work to his hand-made cribbage boards. While Trains have been a part-time hobby since he was a boy, in his first Novel, Doc Christmas, Neil gives trains the full-time leading role in making Christmas happen. When not writing, Neil can be most often found on one side of the camera or the other, filming something around Calgary with some or all of his family in tow.
