MANCHINE

The Musuem of American History in New York City.

New York to San Francisco in .01 seconds. A new personal best.

I don't know why Night Lord wanted this rock but if he is willing to pay me the Big Bucks I will get him whatever he wants.

I don't know why he wanted to meet me all the way across the country. We can teleport anywhere in this dimension why here?

So your from another dimension, huh, and Night Lord is your boss. Thanks for the info.

Now, I have to admit thats probable the fastest I have ever flown but your gonna come with me and explain yourself to the authorities.

Scanners indicate the gem is giving off a low grade radition. With no harmful effects to humans.

WHAT, MANCHINE! Vengeance Inc. knows all about you. You beat golden gauntlet and I can't beat any one with that kinda power. I give up!

A character in a green, segmented suit with black accents stands in a blue, shimmering energy field. The character has a helmet and a visor. The background is a dark, textured ground.

Maybe if you beg I might let you live, as Blur strained dog. Of course I am still gonna have to beat you daily. HAHHAHA!

I have had just about enough of you!

Initiating Sonic Soldier Defense program.

A character in a red and blue suit lies on the ground, appearing motionless. The suit has a blue chest and red limbs. The background is a dark, textured ground.

It told you already lasers are slow moving to me. I can be in and out before one even....

WHAT THE &^%#! What did you do to me? I can't move!

All I did was increase the gravity in this general area by %500. You don't I haven't thought of away to deal with speedsters like you?

Scans indicate his molecules are beginning to slow down.

Your the first person who has ever slowed me down. Bad news for you is my body is atuned to my dimension so I am heading back there. With my loot.

With Golden Gauntlet and Blur energy reading. I think I can recreate a worm hole to there dimension.

That sounds like a good plan lets take the fight to them.

A digital illustration of Batman in his black tactical suit, crouching on a rooftop at night. The background shows a city skyline with illuminated buildings under a dark sky. The lighting is dramatic, with strong highlights and deep shadows.

I have you now Manchine. I know just how to defeat you. Next time, we will meet face to face and I will be the one to take you down.
