

TEACH *for* CHRIST

DOCERE EST DUCERE

TEACH FOR CHRIST MISSION

To make excellent K-12 Catholic education affordable for all families; by enabling young Catholic lay people to give themselves totally to Christ for a period of time, serving as teachers, tutors, and business leaders in Catholic schools and parishes, at no cost to the schools or parishes; thus also forming a future cadre of trained, willing Catholic lay people who in their subsequent married and professional lives will be equipped and motivated to support Catholic communities and build up the Kingdom of God.

EDUCATORS

With proper and specific training we expect our Educators to serve as:

- **Classroom Instructors:** to teach under the leadership of mentor/master teachers.
- **In-School Tutors:** allowing schools to offer, at no extra cost to parents, a range of educational benefits.
- **Parish-Based Tutors:** helping students from parishes too small or poor to support a school.
- **Tutors of Tutors:** mentoring student-to-student tutoring — *peer tutoring*.
- **Teaching Assistants:** helping teachers with tasks such as reviewing homework, entering grades, and running an efficient classroom.
- **Mentors:** train *student ambassador* teams.
- **Liaisons with Campus Ministry:** to help those teams, such as NET, to focus their time and navigate the student body.
- **Business Leaders:** making the case for Catholic schools to parents, clergy, and supporters — and then helping those schools fulfill those promises made.
