

Real Estate Video Packages

Ninmo Productions is a professional digital video production business located in Hamilton. We specialise in promotional, event and real estate videos, and have been working around the Waikato and Bay of Plenty regions for the past few years.

We shoot our real estate videos using the latest professional HD video cameras and wide-angle lenses. We are equipped with a portable lighting and sound setup, and an aerial photography and video platform.

We offer several affordable real estate video packages, as outlined below. We can also create custom packages tailored to your specific needs; such as extended length, interviews with agents or vendors, and more.

If you would like to find out more about our services, please don't hesitate to contact us using the details below. Please visit our website to view client testimonials and samples of our previous work.
